HOW TO USE THIS PLANNER

- | | |
|-----------------------------|--|
| ■ Morning Launch | Start every day with the 5-minute morning sequence. Pick max 3 tasks — ADHD brains derail wh |
| ■ Focus Blocks | Use 25-minute work sprints. Set a timer. When it goes off, check the box and take 5 minutes. Thi |
| ■ Distraction Dump | When a random thought pops up mid-task, write it in the Distraction Dump box. Don't chase it no |
| ■ Hyperfocus Warning | ADHD brains hyperfocus and lose 2 hours without realizing it. If you've been on one thing over 4 |
| ■ Win Capture | Write down every win, even small ones. This builds momentum and is your antidote to end-of-da |
| ■ Weekly Tracker | At the end of each day, log your units and commission. Watch the number grow. That's your dop |
